About DogLeggs®:

DogLeggs® is dedicated to inventing, producing, marketing and selling innovative therapeutic and rehabilitative products that maintain and promote health and comfort for animals. DogLeggs began as a single product, designed to solve our dog's hygroma by treating the cause. We now have an ever growing line of products. Though our name is DogLeggs, we have made products for many different animals besides dogs; goats, horses, cats, rabbits, llama. Manufacturer of sewn veterinary products.
