MEASUREMENTS: (CIRCLE ONE) Inches Centimeters (print clearly)

- #1 Measure from the point of elbow on one side, over the back, to point of elbow on opposite side.
#2 (L) (R) Measure around each leg at the point of elbow.
#3 (L) (R) Measure around each leg 4 inches below the point of elbow.*
#4 Measure from the point of elbow to top of the paw. (Can be measured on either the left or right leg)
#5 (L) (R) Measure around leg at the top of the paw.

* If measurement #4 is 6 inches or less, measure around the leg half way between the elbow and top of paw for measurement #3.

For Pendulous Callus additional measurements are needed, please contact our office.
